Geesh, I'm glad I asked. I see the meeting on the 8th at 8:00 a.m. on my calendar, but can't find anything about the one today being cancelled. Talk to you on the 8th. Unless I don't... :-)

Tim

Hi Tim - there was supposed to be one this morning but we moved it to the 8th. You should have got an update to the invitation. That was the only one I know of unless there is something you guys are meeting on internally in NE.

Jamie,

I have two meeting invites in my Outlook calendar for our AltEn call today, can you confirm what the start time is?
